Collateral Agreement

A Bail Away Bonding Company Inc. in agreement with _____, the indemnitor, agrees to hold \$_____ in a company escrow account as collateral for the bail bond of _____, the principal. This collateral is equal to the full face amount of the bail bond, in addition to the 10% premium already collected. This collateral will be held in the company escrow account until a complete disposition(s) from the appropriate court(s) is rendered, and verification from the county/city clerk's office is received. If the above listed principal violates any term of their bail bond contract, including but not limited to failure to appear in court, the indemnitor will forfeit the collateral listed above.

I understand, the terms of the agreement and I hereby sign under penalty of perjury.
